

Mobile Apps

This is a placeholder for the upcoming MOBILE APPS page. There will be a basic compatibility chart and along with footnotes for basic configurations for each app. Please refer to the requirements for video and other functionalities on the manufacturers specification page for each Mobile App.

Mobile OS	App Name	Link to App	Comments
iOS iPhone vx.x	Bria iPhone Edition	http://www.counterpath.com/bria-iphone-edition.html	...
iOS iPad vx.x	Bria iPad Edition	http://www.counterpath.com/bria-ipad-edition.html	...
Android 3.x and later	Bria for Android	http://www.counterpath.com/bria-android-edition.html	...

This page is a work in progress
